

**Fortune 500 trusted SI, through on-going delivery of high-quality innovation and engineering solutions & services at optimized cost.**

Since 2005, Logixal, is focused on **Composable Commerce & Digital Banking Enterprises**. For over 18 years we have been providing services to **Retail, Luxury Goods, Manufacturers, Distributors, Media, Telecom, and Subscription** model-based businesses. We have served customers across **Americas, Europe, Asia, Africa & Middle East**.

In the current world, it is imperative for all retailers to provide AI/ML powered personalization and recommendations. **Logixal's Personalize Subscription Service** leverages **Amazon Personalize** to help **VTEX** customers leverage Amazon's AI/ML powered personalization and recommendation capabilities.
